**Northern Soda – \$2** Made in St. Paul - Root Beer, Diet Root Beer, Cream Soda, Orange, Pontoon Punch

### WHITE WINES:

**La Crescent 2020 - \$18**  
A light bodied white varietal with a floral aroma and citrus notes.

**Darling White 2021 - \$20**  
A blended wine made from the Prairie Star, Frontenac Gris, and Frontenac Blanc grapes. A citrus nose with apple and lemon taste. A great dinner wine!

**Ida White 2021 - \$18**  
Blended white wine made from Edelweiss and Brianna grapes. Hints of pineapple and tropical fruit flavors.

**Frontenac Gris 2020 (oaked) - \$20**  
A complex and full-bodied white varietal with a floral aroma and hints of brown sugar taste. Aged in an oak barrel.

**(FLIP OVER)**

## ROSÉ WINES:

### **Frontenac Rosé 2020 - \$22**

Made from the red Frontenac grape. This rosé is dry, but full of deep cranberry and cherry flavors.

### **Frontenac Rosé 2021 - \$25**

This year's style is sweet! This rosé is semi sweet with hints of cherry blossoms and vanilla.

### **White Marquette 2021 - \$27**

Our most popular wine! Made from the Marquette grapes with 2% residual sugar left after fermentation. Tastes of raspberry and watermelon.

## RED WINES:

All our red wines were aged in oak barrels and fermented dry

### **Devils Red 2021 - \$22**

A unique blend of red (Frontenac) and white (Frontenac Gris) wine. Fruit forward with black cherry flavor.

### **Pinot Noir 2020 - \$24**

Light in color, made with grapes from California and aged in French Oak. Hints of cherry.

### **Chippewa Red 2020 - \$20**

Special blend of the Sabrevois, Frontenac, and King of the North. Hints of blueberry, cream and black cherry. Resemblance of Concord grape jam.

### **Marquette 2019 - \$25**

Known for its nice balance, this wine is related to the Pinot Noir grape in its hybrid lineage. It is a little spicy, with notes of cinnamon and cocoa. Our signature red wine!

### **Marquette 2020 - \$32**

Every winery makes a Marquette, but ours is the best! This vintage won the Marquette "best in class" award at the 2022 International Cold Climate Wine Competition.

### **Frontenac 2018 - \$22**

This was the first successful cold-hardy wine grape that tolerates extreme winters in Minnesota. This wine is bold and jammy, with hints of ripe fruit and caramel.
